

THE POWNER

of the 80's

We just have to go back and listen to what they told us in the 80's

From a travelling seal tamer father and dressmaker mother, Eddy Eighty grew up on the road and from the beginning he had a dream...

To bring 80's music to the circus world!

Follow this heart-warming story of our charming hero whilst he delights you with equilibristic's, juggling, comedy and dance. Be surprised by his creations and atmosphere of humour, love and audience participation.
